Source: US Census Bureau

This map displays the historic schools of downtown Athens. The data is a subset of data that includes all the schools in Athens-Clarke County. 1/3 of the schools in the area are historic schools.

Historical Schools in Hall County

This map displays the historic schools of Hall County (yellow star). There are 15 historic schools in Hall County, many of which appear to be in more rural areas. However, most of the schools seem to be located centrally where there is a convergence of minor roads and major roads.
